### The Ascension of the Lord

#### FEET ON THE GROUND

"Until next week, keep your feet on the ground and keep reaching for the stars!" Not today's scriptural wisdom, but legendary DJ Casey Kasem's sage advice, heard across America for generations, *American Top 40's* challenging sign-off. Though Casey wasn't quoting scripture, today's Acts of the Apostles offers similar advice. As Jesus ascended, disciples "were looking intently at the sky." Wouldn't we prefer a soul-relaxing gaze into peaceful blue skies to a heart-breaking focus on this blood-stained earth? But heavenly questioners asked Jesus' first disciples, "Why are you standing there looking at the sky?" Earth awaited their mission! While our hearts should "keep reaching for" heaven, we need to "keep our feet on the ground." Ascension's scriptures and the Jubilee of Mercy remind us: the Jesus we revere as "ascended into heaven" lives right here among us on earth, awaiting our recognition and loving service.

It is good to be back home with you after two weeks of pilgrimage travel throughout Europe with a group of pilgrims from all around Canada including our St. Benedict's group. Last week, as a Parish Team, we were participating in Diocesan Workshops, helping us to bring the mission of discipleship to our Family of Parishes. Thank you for the prayers and support.

We are looking for weather to improve as the Parish Picnic is just around the corner. More details in the insert. Sign up for the picnic will be at all 3 churches the weekends of June 8/9 and June 15/16. We will also sell raffle tickets for a basket filled with gift cards. Please pray for good weather.

Parish projects update:

**Our Lady of Mercy**

The new washroom in the back is finished and open for use. The exterior work is underway and ahead of schedule. The wooden gable decorations are being replaced with maintenance-free metal – the north side is ready. The stained-glass windows have been stripped from storm glass and lead paint and the south one is already painted – waiting for new storm glass. The next step is the masonry work with replacing the broken bricks and repointing. The three crosses (north, south and east) have been removed – unfortunately they are beyond repair. After over 100 years they are rusted and no longer safe. We are working on the solution. We will have to redo the roof flashing, as the one in place has separated from the walls and is letting water in. Please check the display at the entrance of the church to see the amount of work necessary or visit <https://www.facebook.com/OLMSarnia/>

**St. Joseph's**

After repairing the steps, the handrails have been installed. The fence for the bell structure is in the making and we hope in June will be able to ring the bell again after so many silent years. The next phase of the Beautification Project has begun with weather inflicted delay, and, with the help of our volunteers, drainage has been put in place. Thank you for your help. We will need it again to plant our flowers.

**St. Benedict's**

Finally, the old lights have been replaced with new, efficient, LED ones. Thanks to professional equipment used to access all the fixtures we were able to finish the work in just 2 days without the need to remove the pews. The new wireless microphones are coming to replace the 20+ year old microphones, as the replacement parts are no longer available.

God Bless, Father Matthew
